

# Choices, Choices, Choices!

## Ahhh, What Freedom!

**Y**ou're on your own.  
Now you face a lot  
of tough choices:

What should I major in?  
How should I spend my  
free time?

Who should I socialize  
with?

What classes should I  
take?

What should I believe?

The choices you make  
now may determine the  
course of the rest of your  
life.

But you don't have to  
face those decisions  
alone. We are faculty on  
campus who believe  
Jesus Christ provides the  
most intellectually  
satisfying answers to  
life's most important  
choices. Ask us about  
our faith and how it has  
shaped our lives or visit  
[www.everystudent.com](http://www.everystudent.com).

Save this ad; we are  
available to talk to you  
about any matter that  
concerns you. We want  
your time at JMU to be  
one of the best  
experiences of your life.

**You may be far  
from home, but  
you're never far  
from God.**
