

They conquered everything but death.

Past world rulers like Alexander the Great, Tutankhamen and Julius Caesar have all had one thing in common: the past. They're stuck in it. It makes more sense to follow a ruler who has conquered death...and a world leader who promises to someday rule the world through peace.

Jesus Christ is that ruler. He claimed to be God, was crucified for our sins, and then rose bodily from the grave. And he promises to return to rule over the earth.
